Dear Sir,

Sub: Students celebrating DaanUtsav (earlier Joy of Giving Week) between 02.10.2016 and 08.10.2016 across all government and government aided colleges in Karnataka

DaanUtsav (earlier Joy of Giving Week) is India's festival of giving. Started in 2009, till date more than 1500 locations across the country, have celebrated the same. From CEOs to autowalas, from the elderly to children in schools and villages, from youth in communities to professionals in corporates.. many have come together to celebrate the festival with inspiring acts of giving.

Students can participate in the festival by helping others without discriminating between anyone, coming together to share good thoughts and help needy people . WE would like to explore the following ideas for students in colleges.

This year, we would like your support and approval for the following

1. **Spot fix** - Students can form groups and clean near by areas such as parks, college compound walls and dump yards.
2. **Audio books** - Students can record school books, story books in English / Kannada for the visually challenged.
3. **Sandwich making** - students form groups and make simple sandwiches to give it away to the underprivileged in the nearby areas
4. **Notebook collection drive** - Each student can contribute notebooks to school children

Students and the college may also come up with their own ideas of giving during this week. The most inspiring acts by colleges may be selected and compiled into a publication for the Department. Students are requested to upload their act of giving to the e-sahayog portal (videos, pictures). The most inspiring act of giving will be recognized and showcased as an example to other students.

We look forward to your participation in this festival.
